Life - a gift to be enjoyed.

Operated by the Strathroy & District Christian Retirement Association Inc.

Life is a gift to be enjoyed... at any age.

That is the philosophy at Trillium Village.

This community has been designed for you ... a mature adult who wants to enjoy less home maintenance and upkeep and more of the good things life has to offer.

Maple Court, Cedar Court and Elm Court

Since 1982, Trillium Village has provided comfortable, affordable, adult living.

The Courts feature 138 lovely 1- and 2-bedroom units with amenities within the suites and just down the halls.

To fulfill increased demand, Trillium Village is expanding. In Spring 2008, a lovely three-storey complex, called The Concorde, will open featuring 75 suites with the latest in comfortable, stylish, adult living.
